VP ADMIN REPORT (Football) 2016 – Melissa Sullivan

2016 has been another season of change. We have lost more than half of our Executive Committee who had been in these roles for a number of seasons. So 2016 has been a learning season for us.

Presentation/Fun Day was run the same as in previous years with great success. The carnival atmosphere is well liked by players, their parents and families.

Canteen

Utilising our newly renovated and expanded canteen, we continued with Fiona Parlanti as Canteen Manager and some students in paid positions.

Fiona introduced a coffee machine for this season which has received mixed reviews, but we can all agree it was definitely worth it.

While we made a profit \$13,600 in the canteen this season, we feel this could've been improved upon if game numbers were consistent each week (some weeks we had no games) and if food costs were lower. We will look at other suppliers in the off season to see if we are able to reduce our costs.

It is with regret though, that we say goodbye to Fiona. She has been a fantastic asset in the canteen and we wish her well in the future. In coming weeks we will announce the staffing and structure for the canteen moving forward into 2017.

Apparel

Apparel sales were consistent throughout the season, with the college hoodie still being very popular. We introduced NSLFNC beanies part way through the season which were a hit with the kids and adults. After a lot of positive feedback, we will continue to stock them next season.

Thank you to Committee members who helped with apparel on training evenings.

Fundraising

Anna Mangano and Cindy Langston headed up Apparel this season. Our fundraising efforts have seen a profit of \$6,244 to the club for the season.

This season saw the return of the Trivia night as our Major Event. Although numbers were low, it was a great night. This event had a blue theme & the club donated 10% of ticket sales to the very worthy charity, Beyond Blue.

We steered away from chocolates this season as we all seem to get choccies from everywhere. We went with a pie and slice drive. Again numbers were low, but we received very positive feedback from those families who participated.

We also ran a few raffles throughout the season (who doesn't like a meat tray!). These were very well received and we hope to follow this on next season.

Sponsorship

A thank you to our club sponsors Bendigo Bank, Auscorp Amusements and Jag Imaging.

The Bendigo Bank supported us with \$2500.00 through a Community grant.

Auscorp Amusements sponsored presentation day by sponsoring a ride for us.

Jag Imaging were generous in their sponsorship as well.

We were lucky enough to have our club on a "jar of the month" at Grilled.

We have also been fortunate to have many different businesses sponsoring our weekly game day awards and raffles by donating either vouchers and/or products.

I would like to thank all club members and committee members for helping me in what has been my first season in my role as Vice President Admin. I have enjoyed working with everyone to help make our great club the success that it is.

I'm looking forward to next season and some more exciting times ahead for the Narre South Lions Football & Netball Club.

In closing, I encourage anyone who is thinking about stepping onto the committee or who is wanting and willing to help out. The old saying "more hands make light work" is very true.

Whether it's as a Committee member or helping with apparel, sponsoring, photos or line marking... we need the support of people with passion, willing to support and commit to ensure our club's success in the future years. It's a great way to make friends, learn from others, and to support our kids. And the reward is watching the kids out on the ground each week and knowing that you played a big part in that!

Regards

Melissa Sullivan
